

## CALL FOR PAPER

### **The 7<sup>th</sup> HCMUT-TKU-OPU- KMITL-DLU-TNU Joint Symposium on Chemistry, Environment, Natural Sciences and Technologies**

**Chemistry and Environment for  
Sustainable Development**

**October 25, 2019  
Ho Chi Minh City, Vietnam**

## Background

The OPU-TKU Joint symposium has been organized annually by Osaka Prefecture University (OPU) and Tamkang University (TKU) in rotation for 6 years. Since last year, for expanding this meeting to welcome more outstanding scholars, the founder of this conference, Prof. Masakazu Anpo (the former Academic Vice-President of OPU) suggested inviting more potential colleges, especially from Vietnam and Thailand. King Mongkut's Institute of Technology Ladkrabang (KMITL), HCM City University of Technology (HCMUT), Da Lat University (DLU), and Tay Nguyen University (TNU) were invited and agreed to join this symposium. Therefore, the title of this symposium is expanded as the 7<sup>th</sup> HCMUT-TKU-OPU-KMITL-DLU-TNU Joint Symposium on Chemistry, Environment, Natural Sciences and Technologies. This year, the joint symposium will be held at Ho Chi Minh City, Vietnam on October 25, 2019 by the Faculty of Environment and Natural Resources (FENR), Ho Chi Minh City University of Technology (HCMUT).

## Participants

This symposium is open to any researchers and people who are interested in Chemistry, Environment, Natural Sciences and Technologies.

## List of Topics

The symposium technical sessions will be addressing the following topics:

- Environmental Technology
- Environmental Management
- Biochemical Technology
- Natural Sciences and Technologies

## Organizing Committee

Professor Masakazu Anpo (Editor-in-Chief of *Research on Chemical Intermediates*)

Professor Ikuo Fujii (OPU, Japan)

Professor San-Lang Wang (TKU, Taiwan)

Assoc. Prof. Ittipol Jangchud (KMITL, Thailand)

Assoc. Prof. Phu Le Vo (HCMUT, Vietnam)

Assoc. Prof. Tan Phong Nguyen (HCMUT, Vietnam)

Assoc. Prof. Van Ket Nguyen (DLU, Vietnam)

Assoc. Prof. Anh Dzong Nguyen (TNU, Vietnam)

## Scientific Committee

Founder: Professor Masakazu Anpo (Editor-in-Chief of *Research on Chemical Intermediates*)

Professor Ikuo Fujii (OPU)

Professor San-Lang Wang (TKU)

Assoc. Prof. Kitsakorn Locharoenrat (KMITL)  
Assoc. Prof. Bich Hanh Dang Vu (HCMUT)  
Assoc. Prof. Tan Phong Nguyen (HCMUT)  
Assoc. Prof. Phu Le Vo (HCMUT)  
Assoc. Prof. Van Trung Le (HCMUT)  
Assoc. Prof. Pathavuth Monvisade (KMITL)  
Asst. Prof. Chompoonut Chaiyaraksa (KMITL)  
Asst. Prof. Chokchai Kittiwongwattana (KMITL)  
Asst. Prof. Cherdsak Maneeruttanarungroj (KMITL)  
Dr. Van Giang Lam (HCMUT)  
Dr. Nhat Huy Nguyen (HCMUT)  
Dr. Khanh An Huynh (HCMUT)

### **Co-Organizers**

Tamkang University (TKU)  
Osaka Prefecture University (OPU)  
King Mongkut's Institute of Technology  
Ladkrabang (KMITL)  
Da Lat University (DLU)  
Tay Nguyen University (TNU)

### **Important Dates**

Deadline for abstract submission:  
**June 10, 2019**  
Abstract acceptance notification:

**June 25, 2019**

Deadline for extended abstract submission:

**August 25, 2019**

Symposium day: **October 25, 2019**

### **Registration Fee**

US\$ 100 or VND 2.200.000đ

This fee includes an abstract book, coffee breaks, meals, and banquet dinner. Please pay directly at the registration desk on the symposium day.

### **Symposium Language**

English is the official language of the symposium.

### **Abstract Submission**

Instructions for submitting regular abstracts (300 words max) for oral and poster presentations can be found at the symposium website ([www.jscens.hcmut.edu.vn](http://www.jscens.hcmut.edu.vn)). Submitted abstracts will be screened by the scientific committee and official acceptant letters will be issued once they are accepted. Extended abstracts of accepted presentations will be printed in the symposium abstract book. Detailed for submitting extended abstracts will be provided later.

### **Full Paper Submission and Special Issue**

Based on the selection of the scientific committee, high-quality presentations will be invited to submit full papers for a special issue of *Journal Research on Chemical Intermediates* (RCI). Please note that the submitted papers still have to undergo a peer review process to ensure the high quality of the published work. Detailed instructions will be provided later.

### **Venue**

Ho Chi Minh City University of Technology  
268 Ly Thuong Kiet Street, Ward 14, District 10, Ho Chi Minh City, Vietnam
